HAIR & BEAUTY

Bldc Hair Dryer / Bldc Hair Brush/ Hair Dryer
/ Hair Straightener / Hair Curler / Cosmetic

Beauty Collection

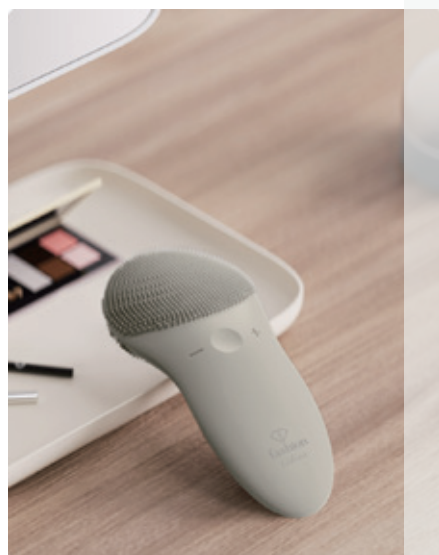

FTV-0133 Silicone Facial Cleanser

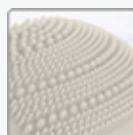

*The usage effect varies from person to person.

Main unit: 143 x 62 x 37mm
Weights: 91g
DC charger
Works continuously for 3h

Double-sided silicone cleansing brush head, larger cleansing surface, fits different cleansing needs

Combines thick and thin silicone bristles providing gentle daily cleansing and exfoliation

Sonic vibration massages the face to cleanse and soothe the skin

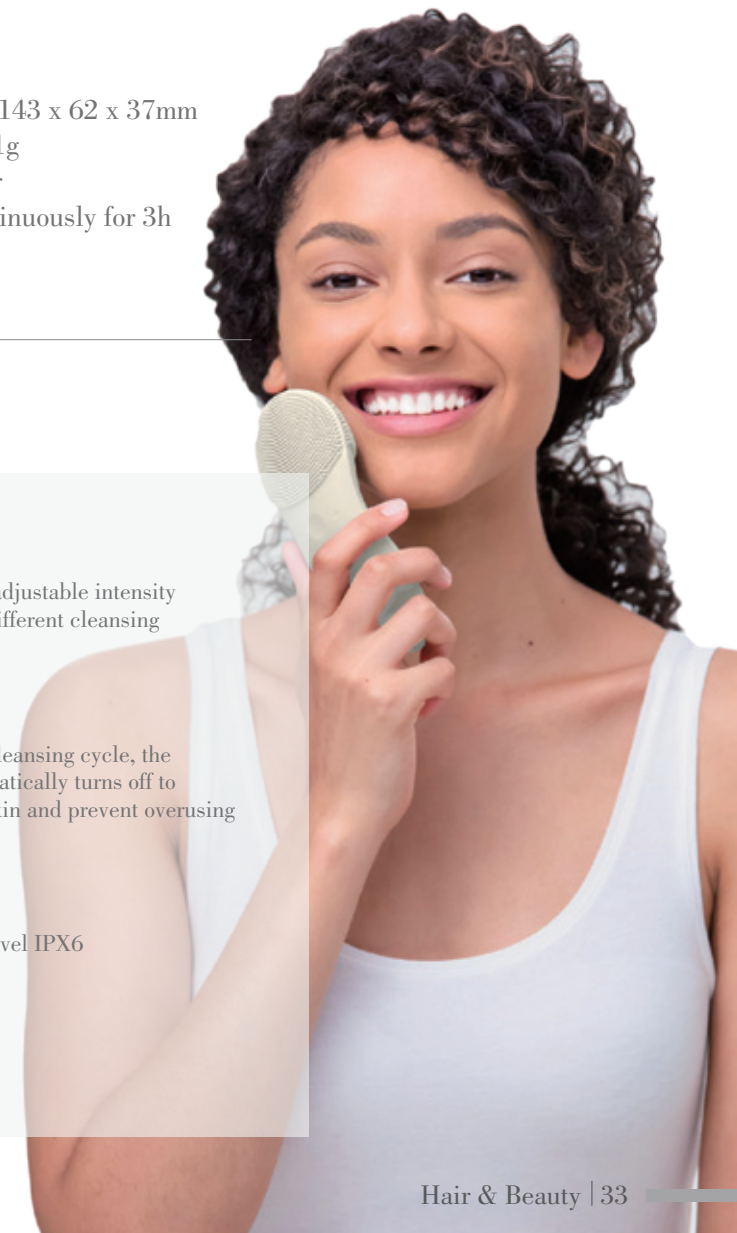

Features 10 adjustable intensity levels to fit different cleansing needs

90 seconds cleansing cycle, the device automatically turns off to protect the skin and prevent overusing

Waterproof level IPX6

FTV-0134 3-in-1 Facial Cleanser Set

*The usage effect varies from person to person.

Main unit: 169 x 60 x 47mm

Weights: 190g/322g

AA battery x 2

Works continuously for 1.5h

Cleaning & Clearing Brush Head: features 0.055mm ultra-fine fiber bristles that effectively penetrate pores to remove excess oil, blackheads, and dead skin cells. Suitable for oily, combination, and normal skin.

Deep Cleansing Brush Head: 0.075mm fiber bristle brush deeply cleanses the skin. Suitable for oily skin.

Gentle Cleansing Brush Head: made of food-grade silicone, soothes and cleanses the skin. Suitable for normal and dry skin.

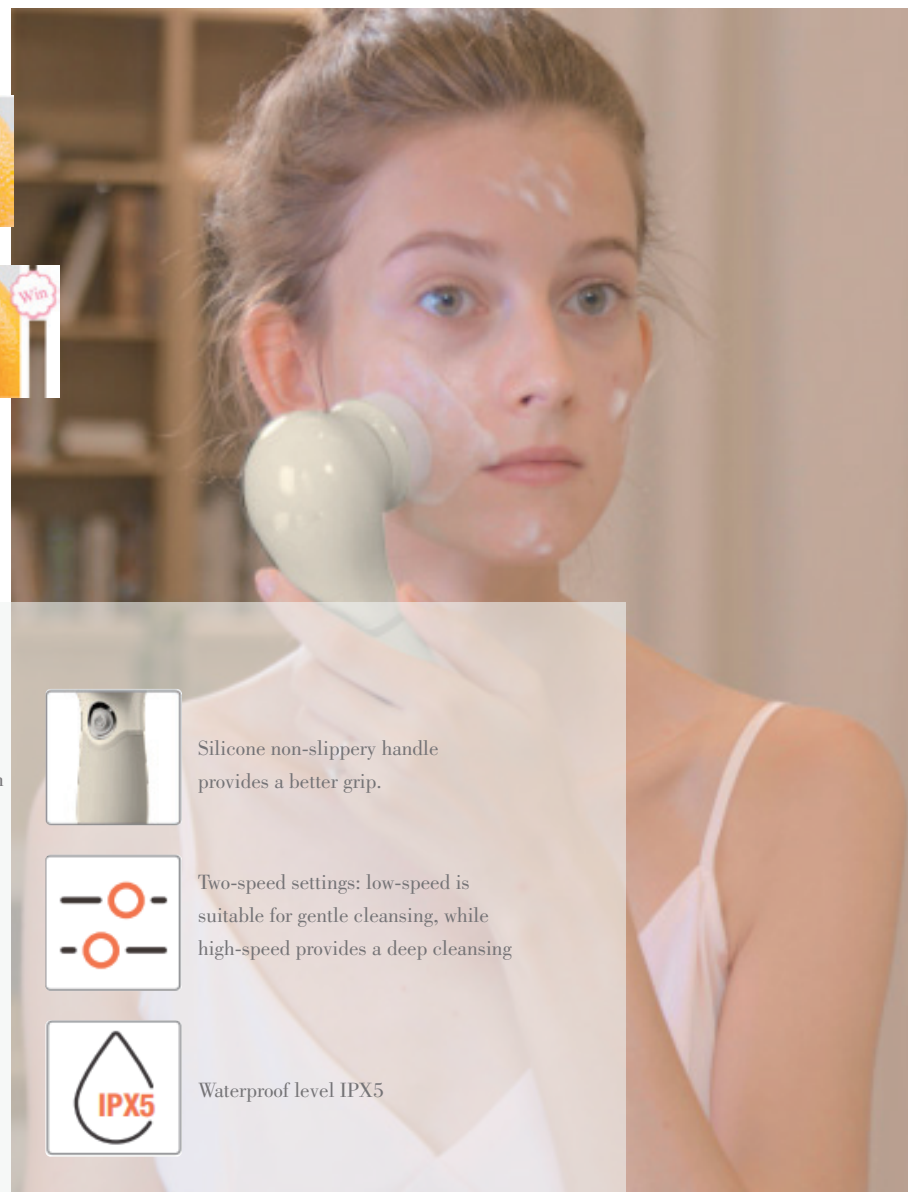

Silicone non-slippery handle provides a better grip.

Two-speed settings: low-speed is suitable for gentle cleansing, while high-speed provides a deep cleansing

Waterproof level IPX5

FTV-0135 Heated Eyelash Curler & Electric Shaver

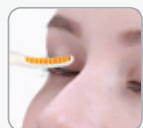

*The usage effect varies from person to person.

Main unit: 140 x 18.7 x 17.8mm
Weights: 14g
AAA battery x 1
Works continuously for 1.5h

Curling comb with double-heating wires quickly curls eyelashes.

Integrated eyelash comb design easily combs lashes for superb definition.

Ergonomic curvature design, easy to operate.

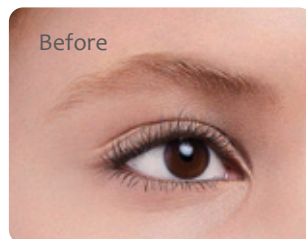

Features a temperature sensor - the indicator automatically changes color when the device reaches the ideal curling temperature longer hairs.

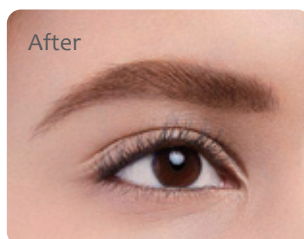

Pen-shaped design, compact and portable.

FTV-0135 Heated Eyelash Curler & Electric Shaver

Before

After

Main unit: 135 x 17 x 13mm
Weights: 29g
AAA battery x 1
Works continuously for 1h

*The usage effect varies from person to person.

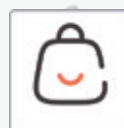

Suitable to trim eyebrows, facial and body hair.

Stainless steel sharp and durable blade.

Safe blade with rounded edge design does not hurt or scratch the skin.

Pen-shaped design, compact and portable.

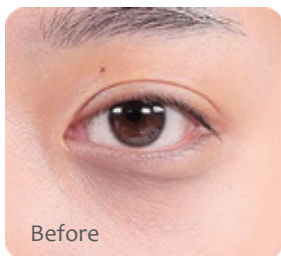

Integrated dual-blade design, the long blade shapes eyebrows and the short blade trims detailed areas.

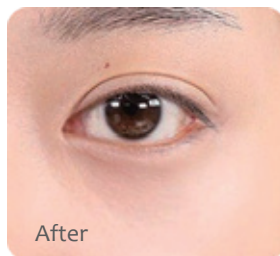

Designed by the famous Japanese Designer Chiaki Murata.

FTV-0136 Sonic Eye Device

Before

After

*The usage effect varies from person to person.

Main unit: 137 x 23 x 25mm

Weights: 24g

AAA battery x 1

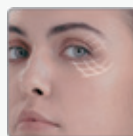

Works continuously for 3h

40° hot therapy boosts the absorption of eye creams and helps to smooth the appearance of fine lines.

Bionic fingertip-like massage head, comfortable and gentle on the skin.

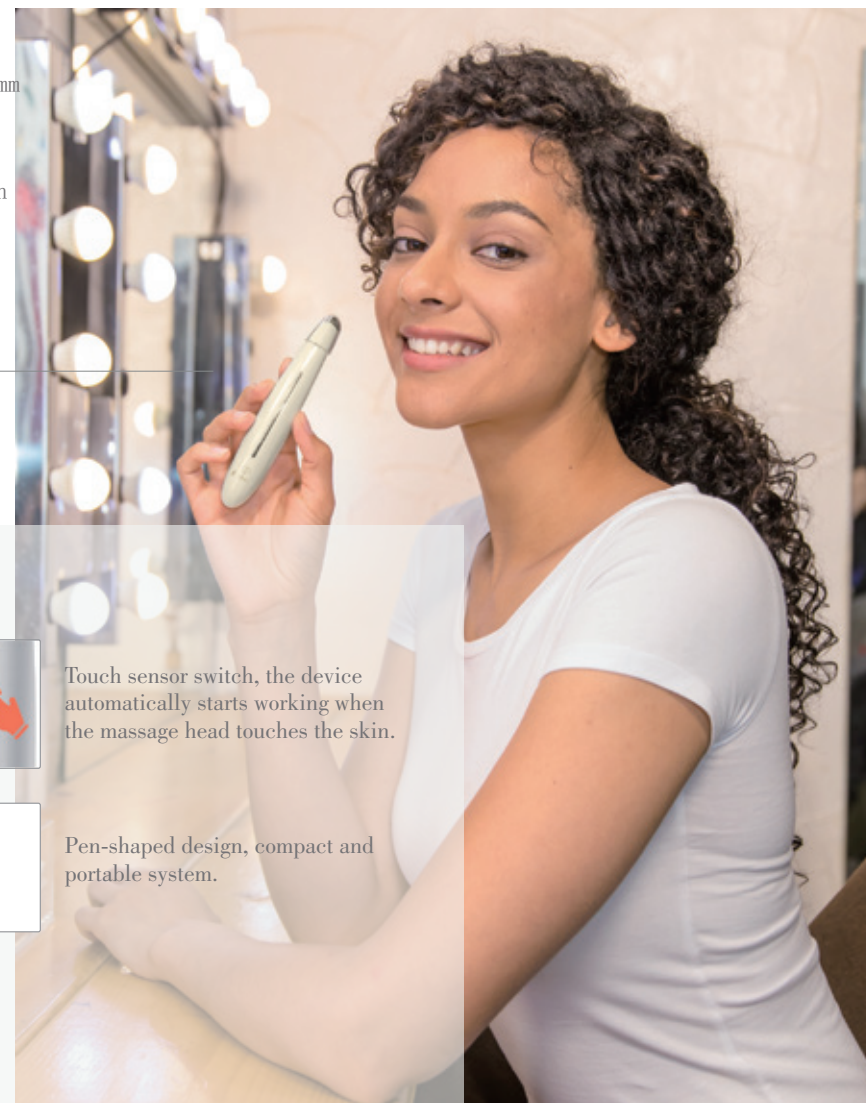

Soothing high-frequency vibration massage relieves eye fatigue and reduces dark circles.

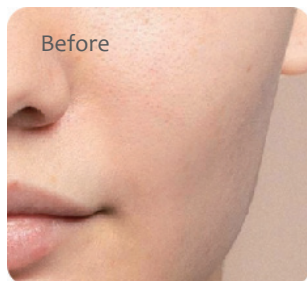

Touch sensor switch, the device automatically starts working when the massage head touches the skin.

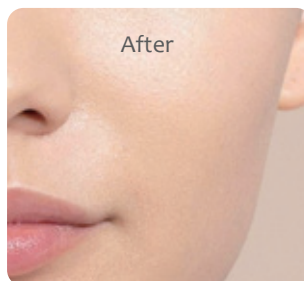

Pen-shaped design, compact and portable system.

FTV--0137 Hot & Cool Skin Revitalizer

Before

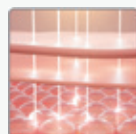

After

Main unit: 169 x 51 x 49mm
Weights: 124.5g
Type-C charger
Works continuously for 40min

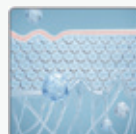

*The usage effect varies from person to person.

Hot therapy + sonic vibration mode revitalizes the skin and enhances the absorption of topical skincare products.

LIFT therapy lifts and firms the skin, improves elasticity, and smooths wrinkles.

The cold therapy function helps to minimize the appearance of pores, lock in nutrients, and reduce swelling.

Enhanced massage head features a larger massage area providing a better and more efficient treatment.

Fast temperature adjustment from cold to hot settings.

Treatment cycle function, easy to operate.
